

As we are not working like a traditional exchange with order-books, **we have access to the worldwide crypto market to easily match also big orders with guaranteed rates.** If you put a sell-order of Bitcoin into any Exchange, it will stuck the order-book if the price does not increase immediately (as there is a big order on the market, the supply is higher as demand, so price will usually go down in value).

Like this it can take days to fulfill your order or you constantly drop your selling prices and finally pay more Bitcoin as expected. **With Wanda you will get a guaranteed rate for 15 Minutes!**

**GUARANTEED  
RATES!**
